STEP 2b

Customer Number

The customer number is a five-digit code that can be found within most of your insurance documents, such as your invoices and reminders.

Policy Symbol

The policy symbol is the three letters that precede the policy number and can be found within most insurance documents. Common policy symbols include TRV and CGV. Example: ABC 1234567-00

Policy Number

The policy number follows the policy symbol and consists of seven digits. It can be found within most insurance documents. Example: ABC 1234567-00

Policy Module

The policy module is the final two digits that follow the policy number. They are separated from the policy number by a hyphen and can be found within most insurance documents. Example: ABC 1234567-00

Security Code

The Security Code is a seven digit number that can be found on the Policy Declarations page in the bottom-right corner of the “Agent” box.

***If you have trouble locating your customer number, security code, or policy information, please contact User Support at 📞1-877-397-4484 for further assistance.**

STEP 3

This screen will display the name and address associated with the customer number and policy information that you entered. If the information displayed is correct, click “Yes” to continue. Otherwise, click “No” to return to the previous screen and then re-enter your customer number and policy information:

The screenshot shows a web interface for user registration. At the top left are the logos for National Interstate Insurance and Vanliner Insurance Company. Below them is a blue header bar with the text 'User Registration'. The main content area asks 'Is the following information correct?' and displays a text box with the following text: 'TEST USER', '123 TEST AVE', and 'ANYWHERE, OH 44444'. Below the text box are two buttons: 'Yes' and 'No'. At the bottom of the page is a slogan 'AN INSURANCE EXPERIENCE BUILT AROUND YOU.', social media icons for Facebook, Twitter, LinkedIn, and YouTube, and links for 'Privacy Policy' and 'Terms And Conditions'.

***If the information provided on screen matches what is on your policy documents, please click “Yes” to continue.**

***If corrections need made (e.g. spelling of name or address), please contact your insurance agent for assistance.**

STEP 4a

Enter your email address into the corresponding boxes. Then create a username and enter it into the corresponding box as well. The username must be at least 6 characters in length and will be used for logging into the Service Center:

The screenshot shows the 'User Registration' form. At the top left are the logos for National Interstate Insurance and Vanliner Insurance Company. The form title is 'User Registration'. On the left, there are five input fields: 'Email Address', 'Confirm Email Address', 'Username', 'Password', and 'Confirm Password'. A blue bracket on the left side of the form groups the 'Email Address' and 'Confirm Email Address' fields. To the right of the form, there are two sections: 'User Registration Help' and 'Password Requirements'. The 'User Registration Help' section includes a user icon and two bullet points: 'Username will be used to log into the Service Center.' and 'Username must be at least 6 characters in length.' The 'Password Requirements' section includes a lock icon and five bullet points: 'Password must be at least 8 characters in length.', 'Password must contain at least one uppercase letter, lowercase letter, and number.', 'Password can contain additional special characters.', 'Password is case sensitive.', and 'Password cannot be the same as Username.' Below these sections is a checkbox with the text 'I have read and accept the [Terms And Conditions](#) and [Privacy Policy](#).' At the bottom of the form are two buttons: 'Continue' (in blue) and 'Previous' (in grey). At the bottom center of the page is a banner with the text 'AN INSURANCE EXPERIENCE BUILT AROUND YOU.' in white and green on a red and orange background.

***An email address/username cannot be registered to multiple Service Center accounts. If you have registered an email address previously, you have the option of linking additional policies to that pre-existing Service Center account. This can be accomplished through the “Activities” section of the Service Center.**

***Contact User Support for assistance with linking additional policies to an existing Service Center account. ☎1-877-397-4484**

STEP 4b

Create a password and enter it into the corresponding boxes. This will be your password for logging into the Service Center.

The password you enter:

- ❖ must be at least 8 characters in length
- ❖ must contain at least one uppercase letter, lowercase letter, and number.
- ❖ can contain additional special characters
- ❖ is case sensitive
- ❖ cannot be the same as the Username
